WE'RE BLUSHING

Hey James

Just wanted to say a massive thank you for the session on Friday

- the team had a brilliant time and we were really impressed by the whole experience from start to finish! Including the delivery service and ensuring everyone had their box.

A partner company of ours will be reaching out to you this week I believe, they're slightly bigger than us with 75 heads-ish.

Take care!
C.W.

Thanks for a great event yesterday,

I really enjoyed it though my 'glamorous assistant' snaffled most of the output.

Great to meet everyone and thanks again for a very unusual and diverting time. I think my favourite was also the Gin Garden, though Adele liked the Gimlet best.
